AGE 2-5

welcome

TO ANGEL'S SUN NEST KINDERGARTEN

At Angel's Sun Nest we believe that all children are unique and special, all in their own way. In a warm, loving, safe and nurturing environment situated in Yermasogia Limassol, our Kindergarten promotes a social, physical, emotional and creative environment to inspire young children's curiosity, intellect and imagination.

Our aim is for children to achieve a high standard in all aspects of their development in order to build up their confidence, which will determine their ultimate success in society.

Our small classes ensure individual attention in order to meet every child's needs.

OUR TEACHERS

Our highly qualified, friendly and experienced team of staff are dedicated professionals and have many years of experience. Teacher training is continuous at Angel's to keep up with current best practice. Continuous development for all our Teachers and assistants is our priority.

CURRICULUM

Our kindergarten follows the six core principals of the British Curriculum of the Early Years Foundation:

- Communication, Language and Literacy
- Mathematical Development
- General Knowledge and Understanding of the World
- Physical Development
- Creative Development
- Personal, Social and Emotional Development

Summer SCHOOL

Kindergarten Summer School Program is developed for ages 2.5 – 5.5 and integrates fun learning with intellectual playing.

A wide range of activities are offered consisting of Art & Crafts, Sports Activities, Dance & Movement and Excursions to suit the age and ability of each child ranging from 2.5 – 5 years old. Children also have the opportunity to have fun with the English Language using the means of storytelling and educational games. The program is open to existing and interested students which have the opportunity to join for one week or the whole summer.
